IMPRISONMENT

As to count two of the indictment, it is adjudged that defendant is committed to the custody of the Bureau of Prisons for imprisonment for a term of 63 months. According to § 5G1.3(c), the sentence for the instant offense is to run consecutively to defendant's undischarged term of imprisonment with the Michigan Department of Corrections to provide an incremental penalty for the instant offense. Defendant is in the primary custody of the state, and his federal sentence will not begin until he is released from state custody.

I recommend that defendant be afforded the opportunity to participate in substance abuse education and treatment programs offered by the Bureau of Prisons and that he receive a pre-release placement in a residential re-entry center with work release privileges.
